Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Kearny Lead Pipe Replacement project in fiscal year 2024. The entity to receive funding for this project is Town of Kearny, located at 402 Kearny Ave., Kearny, NJ 07032. The funding would be used to help the town provide the community with enhanced water infrastructure to improve drinking water by completing lead pipe water service replacements. The project is an appropriate use of taxpayer funds because it will replace existing lead service lines. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
